Welcome to the latest eJ4 Targeted Training Campus that gives your team the answers they need Just in Time.

You Can Have:

- Just-in-time training on over 140 common software applications (Microsoft Office, Adobe Creative Suite and Acrobat, Google Docs, etc.)
- Professionally designed and produced tutorials using techniques proven to actively engage learners
- Short, 30-second to 3-minute show-and-tell tutorials to answer specific application questions

This may be the best 5-10 minutes you spend for your team this year.

When is a good time that we can talk? For a free trial of EJA's Desktop Software Campus, click [here](#).

Kindest Regards,

Rick Michael
