

Hi Melissa,

I need your assistance in conducting an “industry first.” We are surveying the corporate training industry to ascertain plans through 2012 for buying and implementing technology training solutions. This comprehensive survey will identify the key industry trends that we’d all like to know.

Please give me 10 minutes of your time to click on the following link and [take the survey](#).

[Survey_Link](#)

As a thank you for your input, you will receive:

1. A free copy of the survey results summary
2. A chance to win a Kindle in a raffle drawing

The survey results should prove invaluable in helping you determine future direction of implementation of technology enabled learning solution.

Sincerely,

Lenore Matthew
