

Hi Robert,

Could I ask for ten minutes of your time to participate in a Compensation Market Analysis survey? I believe that the results will be of interest to you.

Cox eLearning Consultants, LLC are analysts and consultants in the HR and corporate training industries. Some of our clients have requested that we survey corporate HR Compensation departments about key matters relating to corporate America's experience with compensation survey providers and technology used to support job pricing.

As a reward for taking the survey, you will be provided a complimentary copy of a Market Analysis Research Report. Our economy appears to be shifting right now, affecting compensation being offered job candidates as well as pay changes for existing staff. Your understanding of the methods peer companies are using to analyze this important data will help you make better decisions as you plan for your own market analysis.

Please [click here](#) to participate and to receive your complimentary copy of the Market Analysis Research Report based on the survey results.

Thank you for your participation.
