

Hi Robert,

We just acquired an excellent contact list of Sales & Marketing Execs--primarily (but not exclusively) in the USA Consumer Goods and Retail industries--that we can share with a couple clients.

Because of the "deal" we negotiated, we can make the following available to you:

- 11,000 contacts for \$990 (=9¢ each)
- 21,000 contacts for \$1,495 (=6.9¢ each)

Here are characteristics of the list:

- Purchase list: you own it.
- Employee size: 500+
- Titles: Sales and Marketing Execs – Director, VP & above
- Industries: Mostly Consumer Goods & Retail. Some of the contacts are in computer products and other products.
- All contacts have email address, postal address, telephone number along with many other demographic data.

Due to the special pricing, this offer will only be available until Monday, November 8th.

Please let us know.

Dan Cox
