

Free video lessons on leading from the middle by one of the world's leading business coaches, John Baldoni

Lessons for you and your team

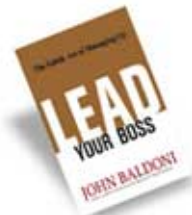

We know times are still tight for most training departments, so AthenaOnline is proud to offer these video lessons with John Baldoni from his most recent leadership book *Leading Your Boss: The Subtle Art of Managing Up*. The lessons are available to you and everyone inside your organization at absolutely no charge until February 15, 2010. That's 9 great lessons on leadership, communication and how to sell your ideas upward that you can share with everyone on your team or in your entire company.

The videos are a small part of our award-winning management series that includes over 1,200 video lessons and hundreds of articles that can help you, and others in your organization be more effective. In these lessons executive coach John Baldoni outlines strategies and provides practical, step-by-step advice that can help you promote your ideas within the organization, make a successful transition from manager to leader, and help others to develop their own careers.

To access the lessons, simply click on the link below. If you can't click on the link, just copy and paste it into your browser. If you want to share the lessons with others, you can paste the link into your own email.
