WHAT GOT YOU **here,** WON'T GET YOU **there**

HOW SUCCESSFUL PEOPLE BECOME EVEN MORE SUCCESSFUL!

Lessons for you and your team

We know times are tight for training departments, so AthenaOnline is proud to offer video lessons with Dr. Marshall Goldsmith from his best-selling book *What Got You Here Won't Get You There*. The lessons are available to you and everyone inside of your organization at absolutely no charge through the entire month of November. That's 25 short lessons on communication, success and self development that you can share with everyone on your team or your entire company.

The videos are a small part of our award-winning management series that includes over 1,200 video lessons and hundreds of articles that can help you, and others in your organization be more successful. In the lessons, executive coach Dr. Goldsmith outlines some of the bad habits that can hold already successful people back from achieving their full potential. He also provides possible solutions that can help you, or those you manage, break free for these habits.
