

Dear Robert,

It's a game changer: a scalable, cost-effective and easy-to-use talent management solution to enable high-impact success around employee collaboration, development and performance.

Whether you need to tackle a training project, automate performance reviews, roll out an enterprise social networking community, or any combination, [Cornerstone Business Edition](#) is powerful and flexible enough to meet your challenges, deliver rapid return on investment (ROI) and grow with your business.

Cornerstone Business Edition features value-priced enterprise-class solutions for learning, performance and enterprise social networking in a single, comprehensive, user-friendly Web-based platform. Business Edition's reporting and analytics features help managers immediately assess the impact of their talent management initiatives.

Cox eLearning Consultants' ongoing coaching, support and value added services ensure you are maximizing your investment.

Cornerstone onDemand Business Edition offers:

- **[Performance Management](#)**: align individual goals with departmental objectives and organizational strategy to ensure that workforce activity is translated into positive business results.
- **[Learning Management](#)**: create, manage, and deliver personalized training that brings together targeted, fully blended learning programs for everyone.
- **[Social Networking](#)**: effective on-boarding, workplace collaboration, improve employee performance, and drive innovation by fostering social (informal) learning, organizational memory, professional networking and better communication.

Cox eLearning Consultants offers:

- Experience and expertise in training, development and systems implementations.
- Professionals trained on the software and best practices through a Premier Partnership with Cornerstone onDemand.
- eLearning industry veterans, instructional designers, course developers, trainers and talent management experts to help you design, implement and use the system most effectively and efficiently.

[Click here](#) to learn how [Cornerstone onDemand](#) and [Cox eLearning Consultants](#) can help your organization effectively manage and develop the high-performing workforce you need to stay competitive.
